# Choose what fits your event.

Think about how your guests will join. Then choose an activity.

| | Private workshops | Creative event booths |
|---|---|---|
| Guest experience | Your group sits together for a guided session. | Guests visit a booth during your event. Our team is there to help. |
| Activities | Paint & Sip; private coconut candle-making. Ask us about other activities. | Batik stamping; Candle Bar with Wax on Tap or Decorate & Go. |
| Schedule | Set a time for everyone to join. We confirm the timing in your quote. | Plan booth hours and pickup times around your event. |
| Main benefit | Time to make something and talk around one table. | A fun activity guests can join during the event. |

## Ideas for your event

- Team events: sit together and enjoy an activity outside the meeting room. This give your team time to talk.
- Weddings and receptions: guests can visit a booth between the other parts of your celebration.
- Retreats and group trips: a private workshop fit into your plans. Our team is there to help.
- Birthdays, family gatherings and villa parties: make something together and take it home.
- Brand and client events: try a booth. Ask about adding your logo to totes or candle labels.

## Why choose a creative activity?

- Guests enjoy an activity and take home something they made.
- Our team and ready materials help guests get started.
- Each guest choose their own pattern, colour or scent. It gives people something to talk about.
- Choose a group session, or a booth guests can visit during the event.

Ubud-area transport is included in private workshop packages. Travel outside Ubud, custom branding, furniture and any venue-specific costs are confirmed in your quote.

# Plan the details with us.

Tell us your plans. We will help you choose an activity and send a quote.

## Send us

- Type of event and the activity you like.
- About how many guests or candles you need.
- Event date, or tell us if you do not know yet.
- Venue or area in Bali, or ask us for ideas.
- Your timing, logo ideas and questions.

## Confirm with your venue

- A covered activity area and a plan for rain.
- Tables, chairs and enough space for the booth.
- Access to bring in materials, set up and clean up.
- Safe power for activities that need it, such as Batik drying.
- Space to prepare candles and for guests to collect them.

## Before confirming your event

- Agree the activity, what is included, team, timing and final price in writing.
- For booths, plan how guests will join. A short activity can still have a queue. This help the event run well.
- For candles, agree the size, option, cooling time and pickup plan.
- For Batik totes with a logo, allow time to make the design and stamp. We suggest booking 6-8 weeks ahead. The team confirm the available dates.
